COLUMNS & ACCESSORIES

REDI-ROCK

Whether it's a landscaping job or commercial development, Redi-Rock Columns, Caps, Pavers, and Steps give projects a polished look. From supporting a driveway to preventing errant traffic, Redi-Rock gets the job done—while still looking great.

COLUMNS & ACCESSORIES

Every Redi-Rock Distributor / Manufacturer is independently owned and operated.

The Redi-Rock Column Series is a perfect accent to finish your retaining wall, set off your driveway or patio, or create a mailbox post, sign, or gate. Coordinating Accessories include Column Caps, Pavers, and Steps.

Redi-Rock Columns and Accessories feature:

- An **easy-to-install** design
- The **durability** of wet-cast concrete
- **Zero maintenance**
- "The Essence of Natural Rock" **aesthetic**
- **Coordinating components** for a finished look

Redi-Rock Columns and Accessories integrate beautifully with Redi-Rock walls. Available texture options include Redi-Rock LedgeStone, Cobblestone, and Limestone faces. Caps, Pavers, and Steps feature hewn stone texture for an authentic, coordinating finish.

For more details or to find your local manufacturer, visit www.redi-rock.com today!

Redi-Rock's coordinating Columns, Pavers, Caps and steps provide a complete hardscaping solution for any project.

Columns can also create a stunning stand-alone accent, or can be used in conjunction with fence rails—the possibilities are endless.

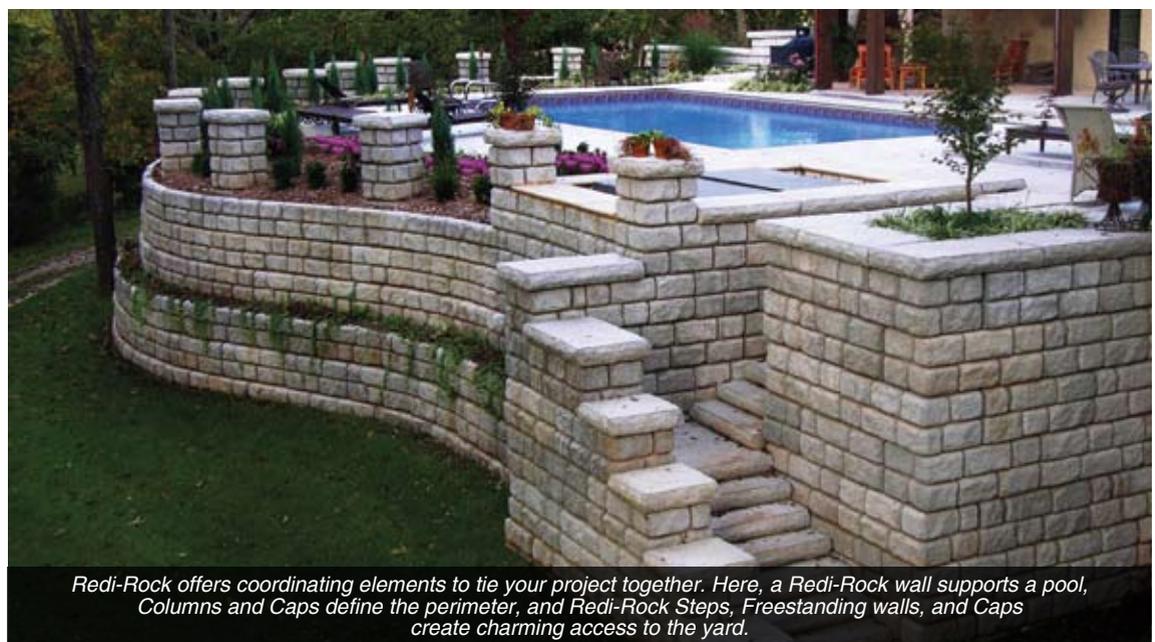

Achieve the Essence of Natural Rock look with natural color and texture, but with the added safety of a consistent 6 in. rise. If you are looking at an unbeatable level of natural detail, add Redi-Rock Steps to your next project.

COLUMNS & ACCESSORIES

Redi-Rock offers coordinating elements to tie your project together. Here, a Redi-Rock wall supports a pool, Columns and Caps define the perimeter, and Redi-Rock Steps, Freestanding walls, and Caps create charming access to the yard.

With Redi-Rock, you've got options.

From design flexibility, to varying color or texture choices—designing a hardscape project with Redi-Rock is easier than ever. Integrate fence rail systems, gates, or light fixtures with your Columns, or top with a Redi-Rock Cap for a finished look.

Redi-Rock staircases, patios, and walkways feature the timeless look of natural stone—with consistent dimensions for safe and easy access, plus easy installation. For design ideas, engineering resources, and much more, visit www.redi-rock.com!
